SOLAR LIGHTING KIT

T-Lite KIT

my  **sundaya**
clean energy for all

The T-Lite Kit is a solar powered lighting system, that is very easy to install and use. The T-Lite's Lamp is splashproof and can be used indoors or outdoors. The T-Lite can be used together with an optional USB / micro USB connector for charging electronic devices such as mobile phones, tablets, speakers, small cameras, and powerbanks.

The T-Lite can be used as a flashlight, table lamp, or a bright hanging lamp providing 180 lumens of light.

Use the touch button to adjust to the level of light you need

Simple Plug & play system makes it easy to add more lights or chargers as needed*

Set the brightness of the light to save energy & increase lighting time

Can also be used to charge electronic devices via USB connector*

No of Steps	1x	2x	3x
Brightness	15 Lumen	90 Lumen	180 Lumen
