**Please Note**

Prices are subject to change without prior notice.

Prices do not include nominal installation costs which will be billed separately at the time of placing your order

Orders are generally ready to ship 12 weeks from the date of receiving your deposit payment.

Prices do not include shipping & delivery to your site. All prices listed are Freight On Board (FOB) from port of origin.

Prices listed above do not footings, utility hooks ups or interiors.

Travel costs & per diem for our installation team will be quoted & billed according to location.

Please check with your local authorities about whether you require building permits, and if so, arrange accordingly.

We will supply you with technical drawings for site preparation once your order is confirmed. Design fees may apply.
